# APPLICANT ENHANCEMENTS

# Preparing for UEI: Workspaces

- UEI forms will be deployed in Training environment starting on September 8, 2020
  - Applicants will be able to test these forms in the Training environment
  - For more details, see <https://www.grants.gov/web/grants/forms/planned-uei-updates.html>
- There will be packages containing DUNS forms even though new Organizations will only have a UEI as SAM cutover date
  - Organizations with only a UEI will not be allowed to create a Workspace for these packages with DUNS forms
- Workspace processing updated for UEI forms
  - Workspaces will populate UEI based on Package
    - UEI Package: populate UEI
    - DUNS Package: continue to populate DUNS
    - New versions of the Workspace Form Coversheets will support both UEI and DUNS
    - Individual Workspaces will use “00000000INDV” as the UEI
  - Existing DUNS forms can be copied/reused into UEI forms (and vice versa)
- Enabled Applicants to search workspaces by either UEI when available or DUNS

# Preparing for UEI: Submissions

- Grants.gov will process submissions using both DUNS and UEI packages until all Grantors switch to UEI forms
- Rejection messages updated to accommodate both DUNS and UEI submissions
- Enabled Applicants to search submitted applications by either UEI when available or DUNS

# APPLICANT S2S ENHANCEMENTS

# Security Enhancements

- Only Support TLS 1.2 with ephemeral (ECDHE and DHE) ciphers. This change will be effective:
  - In Training Environment with Release 18.2
  - In Production Environment on December 19, 2020
